

POLICY FOR SELF PAY PATIENTS

Thank you for entrusting us with your vision care. We provide a wide range of professional services for ALL of your eye care needs.

Long Island Eye Surgical Care, PC participates with most insurance, however we expect payment in full for services rendered to patients that do not have insurance coverage. We accept payment in CASH, CHECK or CREDIT CARD. We are confident that you understand these fees must be collected at the time of service.

In addition to the new patient exam fee or the follow up patient exam fee, your eye care specialist may require additional testing, photography and/or surgery for your care. If surgery is indicated, you may incur a facility and/or anesthesia fee.

TESTING/PHOTOGRAPHY/SURGERY FEES

Diagnostic testing	25-160 BOTH EYES
Photography	80-280 BOTH EYES
Fluorescein angiography	200-280 BOTH EYES
Minor Surgery	175-379 BOTH EYES
Laser Surgery	450-1100 PER EYE

Please be advised that charges for hospital. Ambulatory surgery center and anesthesia services at a hospital or ASC are billed separately by the entity and are in addition to the fees listed above

The fees for the above services are also due and payable at the time services are rendered.

If you are unable to pay for these additional tests, photos or surgery at the time of your visit we would be happy to reschedule you to a future date that is convenient to you.

If you are unable to pay for these additional tests, photos or surgery at the time of your visit due to financial hardship, we will provide you with a financial hardship packet for completion or we can refer you to an agency that can assist with your challenge.

We thank you for your understanding.
